St. Rose Annual Blood Drive

Jan 2 — Feb 2, 2021

We all know how important blood is to the functioning of our earthly bodies. But sometimes we need a replacement or additional amounts of this precious element. We can all make sure there is enough for that person in need by donating today.

Due to the COVID-19 pandemic, we will be performing a “virtual” blood drive sponsored by **Vitalant**. This means you can make an appointment on-line and schedule in any one of multiple convenient locations. All locations are following the highest of pandemic safety protocols.

Scheduling is a three step process:

1. Click here:

2. Complete a pledge card and SUBMIT.

3. You will receive an email with further instructions including suggestions for Donor Preparation and the use of Fast Track.

You must use the same email address through out the process — pledge card, scheduling and donation. Your donation will be credited to St. Rose by using this process. **Our goal is at least 20 people!**

If you need assistance with this process or have any questions, please call Rhoda at 602.228.2579. **SAVE A LIFE!**
