A heartfelt thank you to everyone who participated in our Sneakers campaign. Together, we collected **364 pairs of shoes**, keeping them out of landfills. This effort saved **10,920 pounds of carbon dioxide** and preserved an amazing **821,548 gallons of water**.

Your generosity demonstrates God's call for us to be stewards of His creation while also supporting our youth ministry programs. May God bless you abundantly for your care and commitment to both our parish community and the environment!
