COMING SOON

**New Church
Update #4**

STAINED GLASS

“Inspirational concepts” of the final designs for the 43 stained-glass windows, can now be seen in the vestibule of the Spirituality Center. Later this month, individuals, families, and groups will be able to select a window to be commissioned to the artist for creation. What the artist creates will be artistically more beautiful than the renderings you see in the vestibule. A flock note will announce in advance the time and day that the donations can begin.

The painting and relic of St. Rose Philippine Duchesne, previously in the vestibule will be relocated to the new church.

CONSTRUCTION UPDATE

As you can see from the aerial image below, the earthwork is almost complete. Concrete for the new church will be the next visible step in construction. We are still on track for completion in just about 12 more months. The design includes a connected, but separate Daily Chapel, which will save us 80% on our energy bill compared to using the entire church multiple times a day for daily Mass and other smaller Masses.
